

UPIC:Pioneer
ASI 78200
SAGE 56460

ADVERTISER: Golden Grains Cereal.

OBJECTIVE: To promote a one-day sale of a new cereal being introduced.

PRODUCT: 11" Qualatex® balloons with colorful four-color print. The eye-catching balloons served as floating "signs".

DISTRIBUTION: All store locations displayed the helium-filled balloons over a special cereal display.

RESULTS: The balloons drew shoppers' attention to the cereal display and encouraged additional purchases. Golden Grains and the stores were pleased with the increase in additional sales.
