

# 20" Star Microfoil® Multi-Color Print Balloons

## Custom Balloon Color

- Art will be printed from Adobe Illustrator™
- Convert type to outlines
- Include support files, including embedded images
- Photoshop and raster artwork should be 300 PPI in CMYK format, do not flatten
- InDesign® files are not accepted
- CMYK and Pantone® inks are transparent and printed directly on foil will allow a metallic look
- White ink is opaque and printed underneath artwork will make color opaque
